

# *The Chief Feature Prayers*

**S**cientific studies have proven the power of prayer. I channeled seven prayers guaranteed to instantly eradicate your chief obstacle. It's Michael at their most inspirational! Here they are!

## *Self-Deprecation*

Divine Presence, please help me suck less.

## *Arrogance*

Dear Lord, or Tao, or whatever the f\*ck you are,  
Guide me to be more humble than those stupid pricks around me.

## *Self-Destruction*

God grant me the perseverance to drink until I reach oblivion,  
the self-control to stop before I pass out, and the wisdom to know the difference.

## *Greed*

Heavenly Father, let me find contentment with gross excess; surely, I need nothing more.

## *Martyrdom*

Goddess, help my loved ones know, without my having to tell them,  
how much I suffer when they leave dishes in the sink.

## *Impatience*

Dear God, grant me patience, and grant it to me NOW, goddammit!!

## *Stubbornness*

Lord, please help others stop telling me what to do,  
And to cease making the ridiculous claim that I'm stubborn.

Amen
