

CELEBRITY OVERLEAVES

Compiled by Shepherd Hoodwin

- This is a list I've compiled from various channels, including myself.
- ET means essence twin.
- Ratios such as 81/19 refer to male/female energy ratio.
- I don't include channels already represented in *Celebrities*, a compilation by Emily Baumbach. That information can be found at <http://www.itstime.com/famous.htm>.
- See also <http://www.michaelteachings.com/celebrities.html>.
- See also "Entities—Traits and Celebrity Members" PDF or at <https://shepherdhoodwin.com/michael-teaching/celebrity-entity-list/>.

KEY to source of overleaves:
