

CELEBRITY OVERLEAVES

Compiled by Shepherd Hoodwin

January 1, 2025

- This is a list I've compiled from various channels, including myself.
- ET means essence twin; RN means raw number.
- Ratios such as 81/19 refer to male/female energy ratio.
- I don't include channels already represented in *Celebrities*, a compilation by Emily Baumbach. Some of that information can be found at <http://www.itstime.com/famous.htm>.
- See also "Entities—Traits and Celebrity Members" PDF or at <https://shepherdhoodwin.com/wp-content/uploads/2020/11/Entities—Traits-and-Celebrity-Members.pdf>.

KEY to source of overleaves:

CQY: Chelsea Quinn Yarbro from chelseaquinnyarbro.net
