

THE JOURNEY OF YOUR SOUL

Zoom Workshop with Shepherd Hoodwin

SUNDAYS 11 A.M.–1 P.M. PT / 2–4 P.M. ET / 7–9 P.M. UK

SEPTEMBER 8–DECEMBER 15, 2024

Sliding Scale \$499–\$299 • Repeat \$249–\$149

Join Shepherd for an unforgettable, life-changing workshop on the Michael teachings, a fascinating channeled body of information about how we, as souls, set up our lifetimes, illuminating why things are the way they are.

In “The Journey of Your Soul,” Shepherd begins with an overview of how the universe works. He then teaches and interprets the Essence section of your Michael Reading chart—*role* (soul type), *essence twin* (twin soul), *casting* (position within larger groupings), *entity* (soul family), *male/female energy ratio*, and more. Next, we’ll cover the Overleaves (personality) section of your chart—*goal*, *body types*, *soul age*, and more—correlating it with the Essence half.

We will explore the underlying energies of traits and how they look and feel, going beyond theoretical knowledge to validate them. We will also study how they interrelate, learning to understand each participant’s chart as a whole. Lively discussions on a wide range of topics are led, in part, by your questions and comments. Those who can’t attend live are welcome to participate by watching the videos and submitting questions and comments by email. We’re allotting fifteen weeks to get through everything, but may need less (or more) time, depending on the group.

MICHAEL CHARTS

Each participant needs a Michael chart. If you do not have one, you can order it from Shepherd [<https://shepherdhoodwin.com/order/>]. Please do so as early as possible. If you had your overleaves channeled by another channel, please send them to Shepherd so that he can fill in his chart form with them. You are also welcome to have Shepherd channel your chart, especially if you are missing significant information included on his. Relate all previously channeled information; if you question anything, briefly say why. This is especially recommended if you are missing your initial (Yarbro) casting information, which is different from raw number casting; we'll be spending a lot of time on that.

WORKSHOP TESTIMONIALS

The way Shepherd explains things and addresses the audience is a teaching in itself.

The workshop gave me tools to handle the day-to-day and allows me a kindness towards myself I haven't felt before, maybe because the bigger picture is clear.

Shepherd is a wonderful facilitator and teacher. His knowledge and understanding of the Michael teachings and his ability to relate to the level of understanding of the participants create opportunities for soul growth that resonate long after the workshops are over.

Shepherd's wise presence and loving and tender way of teaching was a precious gift for me.

I had many important insights and experiences during and after the workshop.

We still feel touched. We have a kind of quietness on a different level that is full of joy and love.

We very much enjoyed Shepherd's wit, intelligent articulate delivery, and the enlightened information. I also got very positive responses from my friends who attended.

A big, big thank you for the amazing weekend.
