

# BEYOND THE MICHAEL CHART

A Q&A "SATSANG" FOR MATERIAL NOT COVERED  
IN "THE JOURNEY OF YOUR SOUL" WORKSHOP

*ALL ARE WELCOME!*

*Zoom Workshop with Shepherd Hoodwin*

**SECOND SATURDAY OF EACH MONTH**

11 A.M.–1 P.M. PT / 2–4 P.M. ET / 8–10 P.M. EU

JANUARY 11–APRIL 11, 2026

\$160 (or \$40 Per Session) or Donation (Pay What You Can Afford)

Join Shepherd for an illuminating Q&A on the Michael teachings, a fascinating channeled body of information about how we, as souls, set up our lifetimes. This is the fifth series, which is now monthly through April. You can also read unedited transcripts of the first four series here:

<https://tinyurl.com/22BTMC>

This is a complement to "The Journey of Your Soul" workshops about the Michael charts. Feel free to ask any questions you wish, but we'll be focusing on material not on the Michael charts. Attending "The Journey of Your Soul" is not a prerequisite, but consider attending that if you'd like a deep dive into your role, overleaves, soul age, etc.

## MICHAEL CHARTS

Each participant would benefit from having a Michael Reading chart. If you do not have one, you can order it from Shepherd [<https://shepherdhoodwin.com/order/>]. If you had your overleaves channeled by another channel, please send them to Shepherd so that he can fill in his chart form with them. You are also welcome to have Shepherd channel your chart, especially if you are missing significant information included on his. Relate all previously channeled information; if you question anything, briefly say why.

## LOGISTICS

You can email Shepherd questions or general topics you'd like covered in advance, or ask them in the moment.

To register, you can PayPal funds friends/family to [ShepherdHoodwin@gmail.com](mailto:ShepherdHoodwin@gmail.com) or use a credit card with the order form's Misc. field at <https://shepherdhoodwin.com/order/> with BTMC in the Note field. The recommended donation \$160 for the four sessions, but if you can't afford that (or will not be attending all sessions), feel free to pay what works for you. Your acknowledged payment is your registration. If it's better for you to pay for one at a time (\$40), that's fine, too; just note what month you're paying for.

TRANSLATION IN ZOOM:

Click the CC button in Zoom to enable closed captioning. Then, to change it from, say, English to German, click the up arrow, enable Translation, click the arrow next to "My Caption Language," and choose German. If you don't have strong English, feel free to try Zoom's translations; if it still doesn't work for you, you can request a full refund.

PRIVACY

Many people enjoy learning through videos. I'd like to consider uploading these to, say, YouTube, when the series is complete. However, I want everyone attending to feel comfortable and safe.

Therefore, I propose that those attending show and use only your first name (or use a pseudonym). Two people with the same names could use your last name's initial. If you don't want your face to be

seen in posted recordings, you can leave your video off, either all the time or just when speaking (which makes you the Active Speaker). If you are sharing something personal you would like not to be recorded at all, you can ask me to pause the recording.

During the final session, I will ask the group how you feel about the videos being public, and if it's not a unanimous yes, I will not post them. If that is the case, I will ask whether posting audios is okay. Again, if it's not a unanimous yes, I will not post them.

Zoom generates closed captions which can then be edited to provide a written transcript. Those are easy to edit for privacy, such as removing names. I retain the right to publish my own words and anonymized questions and comments.

## **WORKSHOP TESTIMONIALS**

The way Shepherd explains things and addresses the audience is a teaching in itself.

The workshop gave me tools to handle the day-to-day and allows me a kindness towards myself I haven't felt before, maybe because the bigger picture is clear.

Shepherd is a wonderful facilitator and teacher. His knowledge and understanding of the Michael teachings and his ability to relate to the level of understanding of the participants create opportunities for soul growth that resonate long after the workshops are over.

Shepherd's wise presence and loving and tender way of teaching was a precious gift for me.

I had many important insights and experiences during and after the workshop.

We still feel touched. We have a kind of quietness on a different level that is full of joy and love.

We very much enjoyed Shepherd's wit, intelligent articulate delivery, and the enlightened information. I also got very positive responses from my friends who attended.

A big, big thank you for the amazing weekend.
