CONNECTION WITH _____

Q. What are our highly significant shared past lives, if any?

A. You have had a particularly wide variety of previous relationships. Twice, you were boyhood friends who went to war together and saw each other through combat, which is a highly bonding experience. You were once an artist and _____ was your doting patron. You were once female friends in your mid-teens who encountered a UFO together and saw an extraterrestrial fairly up close. You were fellow scientists doing some interesting work outside of the mainstream.

Q. What moderately significant past lives have we had, and what were their nature?

A. Most of these were in the same families as aunt/niece, grandfather/grandson, first cousins, etc.

Q. What past lives have we had as acquaintances, and what were their nature?

A. You were members of military forces but not serving directly together, and involved in religious institutions in which your paths crossed.

Q. What is our significant shared work on the astral plane, if any?

A. None.

Q. Do we have a soul relationship not mentioned on charts such as essence mate, task mate, or support circle?

A. You are task mates, meaning that you were task companions during a previous grand cycle. This is the main reason for your sense of closeness.

Q. What is the general nature of our relationship on a soul level?

A. You have an uncanny ability to see into one another's blind spots.

Q. What karma have we done, if any?

A. None.

Q. What monads have we done, if any?

A. None.

Q. What agreements do we have, if any?

A. You completed a mate agreement.

Q. Any other comments, such as the lessons of this relationship?

A. This relationship works best if you each work to let the energies flow without obstructions and the false protection of the obstacles. Be transparent.
