THE JOURNEY OF YOUR SOUL

Zoom Workshop with Shepherd Hoodwin

SUNDAYS 11 A.M.–1 P.M. PT / 2–4 P.M. ET / 7–9 P.M. UK / 8–10 EU
JANUARY 10–APRIL 25, 2027

Sliding Scale $599–$299 • Repeat $299–$149

Join Shepherd for an unforgettable, life-changing workshop on the Michael teachings, a fascinating channeled body of information about how we, as souls, set up our lifetimes, illuminating why things are the way they are.

In "The Journey of Your Soul" workshop, Shepherd begins with an overview of how the universe works. He then teaches and interprets the Essence section of your Michael Reading chart—*role* (soul type), *essence twin* (twin soul), *casting* (position within larger groupings), *entity* (soul family), *male/female energy ratio*, and more. Next, we'll cover the Overleaves (personality) section of your chart—*goal*, *body types*, *soul age*, and more—correlating it with the Essence half.

We will explore the underlying energies of traits and how they look and feel, going beyond theoretical knowledge to validate them. We will also study how they interrelate, learning to understand each participant's chart as a whole. Lively discussions on a wide range of topics are led, in part, by your questions and comments. Those who can't attend live are welcome to participate by watching the videos and submitting questions and comments by email. We're allotting sixteen weeks to get through everything, but may need more or less time, depending on the group.

MICHAEL CHARTS

Each participant needs a Michael chart. If you do not have one, you can order it from Shepherd [https://shepherdhoodwin.com/order/]. Please do so as early as possible. If you had your overleaves channeled by another channel, please send them to Shepherd so that he can fill in his chart form with them. You are also welcome to have Shepherd channel your chart, especially if you are missing significant information included on his. Relate all previously channeled information; if you question anything, briefly say why. This is especially recommended if you are missing your initial (Yarbro) casting information, which is different from raw number casting; we'll be spending a lot of time on that.

PRIVACY

Many people enjoy learning through videos. I've never posted videos of this workshop before, but I'd like to consider uploading these to, say, YouTube, when the series is complete so that possible future students can get a feel for what it's like, and for others to have a new way to learn the Michael teachings (although, of course, they won't be receiving a deep dive into their own Michael chart).

However, I want everyone attending to feel comfortable and safe.

Therefore, I propose that those attending show and use only your first name (or use a pseudonym). Two people with the same names could use your last name's initial. If you don't want your face to be seen in posted recordings, you can leave your video off, either all the time or just when speaking (which makes you the Active Speaker). If you are sharing something personal you would like not to be recorded at all, you can ask me to pause the recording.

During the final session, I will ask the group how you feel about the videos being public, and if it's not a unanimous yes, I will not post them. If that is the case, I will ask whether posting audios is okay. Again, if it's not a unanimous yes, I will not post them.

Zoom generates closed captions which can then be edited to provide a written transcript. Those are easy to edit for privacy, such as removing names. I retain the right to publish my own words and anonymized questions and comments.

WORKSHOP TESTIMONIALS

The way Shepherd explains things and addresses the audience is a teaching in itself.

The workshop gave me tools to handle the day-to-day and allows me a kindness towards myself I haven't felt before, maybe because the bigger picture is clear.

Shepherd is a wonderful facilitator and teacher. His knowledge and understanding of the Michael teachings and his ability to relate to the level of understanding of the participants create opportunities for soul growth that resonate long after the workshops are over.

Shepherd's wise presence and loving and tender way of teaching was a precious gift for me.

I had many important insights and experiences during and after the workshop.

We still feel touched. We have a kind of quietness on a different level that is full of joy and love.

We very much enjoyed Shepherd's wit, intelligent articulate delivery, and the enlightened information. I also got very positive responses from my friends who attended.

A big, big thank you for the amazing weekend.
